

TRU-VIEW PERSPECTIVE REPORT FOR

JOHN DOE

October 06, 2010

SUMMARY OF COMPETENCY FEEDBACK

This graph summarizes the feedback received on John Doe with regard to the competencies considered to be important for the position of Sales Executive.

Ratings were positioned on a seven-point scale, **where a rating of seven for a particular competence indicates that it should be demonstrated very effectively. In other words, the higher the value the better.**

John's self ratings are shown in green. The average of all the ratings received from all of John's responding references is shown in orange.

The more positive the rating, the closer it will be to the outside edge of the graph.

Where John's rating is significantly higher than his/her references, there will be a gap in the graph with John's rating showing closer to the outside edge. Where the references think more highly of John's abilities, there will be a gap in the graph with the references average rating showing closer to the outside edge.
